

PART EXCHANGE/AGENCY ASSIST

We will handle every aspect of your Part Exchange and Agency Assist schemes, visiting and valuing properties, and arranging the sale, for an all-inclusive fee, so you know exactly where you stand. We also offer ways to accelerate the process within our Plug-in Data Capture section.

We understand the value of Part Exchange and Agency Assist as sales tools, and we will work hard to achieve the highest possible price for every property, while achieving the swiftest possible sale.

The benefits of working with you for you to achieve a sale:

- A centrally located head office with regional offices in Yorkshire and the Midlands
- Our motivated and intelligent staff have extensive experience
- We believe in delivering valuations quickly
- We work closely with locally based agents through joint marketing
- All homes will be listed on all major property portals
- Our phones are manned 7 days a week to maximise response to enquiries

We can also support your sale with:

- Energy Performance Certificate
- Homebuyers Survey
- Drain down/reinstatement of heating and plumbing system
- Garden Maintenance
